

A TROOP 740 FUNDRAISER: *GOURMET COFFEE*

YEAR-ROUND FUNDRAISER

By participating in Troop Fundraisers, a 740 Scout not only does his part in helping the Troop, but he receives credit in his Troop Boy account for use toward Summer Camp fees.

A local Houston coffee distributor has generously agreed to allow Troop 740 to sell gourmet coffees at 50% profit; of the 50%, the Scout receives 40% in their Boy account for application to Summer Camp costs.

Following is a description of the most commonly sold coffees; inquire with ASM Coughlen about other flavors:

Colombian Supremo Bucaramanga

This high-grade coffee bean has a sweet, well-rounded flavor and a lingering caramel aftertaste. The full body and constant balance of this coffee maker is one of the most consistently good coffees available.

French Roast

The pungent and smoky dark roast yields a full-bodied, flavor maintaining coffee with just the right amount of rich finish. This high quality bean produces an exceptional cup that is perfect for after dinner or any time of day.

Cinnamon Hazelnut Cookie

The taste palette is treated with a warm, sweet, aromatic, and cinnamon start and then enveloped in a toasty, nutty finish rolled onto a crunchy wafer. The result is a candy bar like sensation in a cup of coffee.

Poppin' Pecan

A Texas favorite for many years, this smooth, warm flavor tastes like slowly roasted pecans over an open fire combined with a delightful Central American coffee. It delivers a splash of Southern hospitality in every cup with plenty of pecan chunks to boot

Order these delicious premium blend coffees today:

Cost: \$12 per 1 pound bag

Type: Ground or bean

Checks payable to Troop 740

Submit order to Assistant Scoutmaster Dave Coughlen. Mr. Coughlen will pick up orders and bring to the following Monday night Troop meeting.

Thank you for supporting our Scouts and our Troop. Enjoy your soothing cup of Jo!
